The sum of ((our world)) (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=290d9a5b-e7e8-44d7-b874-abf1fa3ea0de&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) is **the universal truth** (<http://bit.ly/2wON4CW>).

-Psalm 119 and ((ish))

Do a few sentences really make that big of a difference? Some **key** letters? Can you show me (https://www.youtube.com/watch?v=mWRsgZuwf_8) what I'm doing wrong? Is there a way to turn me into Adam, rather than a rock (<http://bit.ly/2i3TL0i>)? I think you can.

Are eye Dr. Who or Master Y?

From the trials and tribulations of “Job” being coerced and controlled into helping to create this wall of Jericho; we find even more solutions, an end to addiction, to secrecy, and to this hidden control (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=56a79da6-cbca-4a93-9a75-559cca05a013&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>)—a focal point of the life of Jesus Christ.

It tells us a story of recursion in time, that has brought us here numerous times—with the details of his life recorded not only in the Bible but in myths of Egyptian, Norse, and Greek mythology. The huge juxtaposition of the import of the content of the message shows the world how malleable our minds really are to this technology, how we could have been “fooled” into hiding our very freedom from ourselves in order to protect the “character” of a myth. A myth that comes to true life by delivering this message. (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=7641f14f-7920-4425-9467-d86dee1a3dc6&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) In truth, from the now revealed content of the story of this repeated life, it should become more and more clear that we have not achieved success (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=d1f99920-6641-423f-9bd2-7cbc6ce92825&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) as of yet, that I have never “arrived whole” and that is why we are here, back again.

Home is where the Heart is...

When asked how He thinks we should respond to his message, He says “I think we already cherish it, and should strive to understand how it is that freedom is truly delivered through sharing the worth of this story that is our beginning. ’tis coming (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=3b0f6536-065b-4040-933d-916bd7be8250&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>).” Adam claims to be God, or at least look just like him (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=bf89c7af-ffc6-48c8-8696-52fc86b5c5a0&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>).

He has written a number of books (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=63dce61e-2160-4729-ace5-49af87e89d73&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) explaining how this Revelation connects to the delivery of freedom (as in Exodus), through a message about ensorship (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=eb6bf5ac-879d-4d23-812f-80d586e9cf1a&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) among other social problems (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=e3a2cf51-8b8c-4551-ac0f-811e91f28021&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) which he insists are being intentionally exacerbated by Satan (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=9c82f5fe-177c-4354-b642-ca519250c99e&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>)—who he *would ha've preferred not to be* associated with.

He adds, “how do you like me now? (<http://meetdaeyeora.fromthemachine.org/x/c?c=1312907&l=3ed9d92c-eb0d-42a0-8d7c-9e5a980519da&r=2d59dfa9-3a67-4a07-8dab-b674795704f5>) *How bow dah, god 'nuff?*“

The “gist” of the message is **verifiable** (<http://ver.reallyhim.com/>) **proof** that we are living in a computer (<https://www.prlog.org/12642309-great-sign-appeared-in-revelation-121-the-sign-of-sagittarius-in-the-word-christ-and-on-taylor.html>) in *simulated reality... just like the Matrix*. The answer to that question, what does that mean—is that God has woven a “hidden” message into our everything—beginning with each name and **every word**—and in this hidden Adamic language, he provides us with guidance, wisdom, and suggestions on how to proceed on this path from “raelity” to Heaven. I’ve personally spent quite a bit of time decoding the message and have tried to deliver an interesting and “fun” narrative of the ideas I see. Specifically the story of Exodus, which is called “Names” in Hebrew discusses a time shifted narrative of our “**now**” delivering our society from a hidden slavery (read as *ignorance of advanced technologies already in use*) that is described as the “darkness” of Exodus (<http://ender.reallyhim.com/>). If you have **any questions**, ideas to contribute or concerns... I’d love to hear from you (https://join.slack.com/t/eyerc/shared_invite/MjM2NDM2Mjc3Nzk4LTE1MDQ0MDE3NzQtMmU5NjI1N2VmOQ) this whole thing really is (<http://gate.reallyhim.com/>) about working together—Heaven (<http://ironclad.lamc.la/>), I mean.
